'Not gloom, but tough times ahead for India'

Text: Shobha Warriar

February 27, 2009

Sam Santhosh is the chief executive officer and president of Calsoft, a global solutions company that offers product engineering services and product-based business solutions.

He is also the man responsible for setting up Calsoft in 1992

in Silicon Valley with a strong focus on technology development to deliver value-added solutions to American customers. The company has a turnover of Rs 235 crore (Rs 2.35 billion), and has offices in Silicon Valley in the United States, India and the United Kingdom.

In this exclusive interview, Sam Santhosh talks about various issues that affect the world now. [Read on...](#)
